

Bokaro Power Supply Co. (P) Ltd.

(A joint Venture of DVC & SAIL)

Hall No. : M-01, Old ADM Building

Ispat Bhawan, Bokaro Steel City – 827 001

NOTICE (Expression of Interest)

No. BPSCL/CEO/PP/Poll. Control/2695

Date: 27.07.11

In line with the guidelines of Ministry of Environment & Forest (MoEF), Govt. Of India and Jharkhand State Pollution Control Board, Ranchi, Bokaro Power Supply Co. (P) Ltd. (BPSCL) invites for Expression of Interest (EOI) for lifting of fly ash from Power Plant of BPSCL for utilisation in manufacturing cement/bricks/blocks/ aggregates and for different value based uses also for filling low lying areas with Pond-ash in eco-friendly manner.

1. Expression of Interest (EOI) is invited by BPSCL from interested manufacturers who are desirous of lifting fly ash from Power Plant for their requirement to direct use in their production process. However, in case there is not adequate response commensurate with fly ash generation from the plants, proposals for lifting fly ash from Entrepreneurs may be considered at mutually settled terms and conditions.

2. Fly ash will be made available ex-Power Plant/Silos/ESP hoppers of the respective units as per the existing rules /guidelines of MOEF, Government of India.

3. The intending parties need to submit the following along with their application signifying the EOI to AGM(P&C) (Tel: 06542-240380), BPSCL

(a) Background of the firm with infrastructural details showing capability of nuisance free transportation of fly ash

(b) Infrastructure/machineries for utilization / handling of fly ash in manufacture of cement/bricks/aggregates and for different value based uses.

(c) Financial and legal status of the firm as on date.

The proposal may be sent latest by 15.10.2011 (15:00 hrs). The date of opening of EOI shall be 15.10.11(15: 30 hrs) in the O/O AGM(P&C).
